📞 (11) 94873-3609 [I prefer contact by linkedin or email]   📍 São Paulo, SP

EXPERIENCE

Data Analysis

- I did private data analysis for healthcare and finance professionals from 2017 until now, totaling **6 years of experience**.
- I did data analysis at the Center for Applied Statistics at IME-USP during the second half of 2022 for Veterinary Medicine and Animal Science researchers.

Solo Software developer

- LadR Package in 2019, which is a package that allows you to adjust robust linear models and capacitates you to diagnose these models. Available at https://CRAN.R-project.org/package=LadR . This pack has been **downloaded by over 20K** people.
- greekLetters package in 2020, which is a package that allows you to use greek letters and special symbols in the R GUI. Available at https://CRAN.R-project.org/package=greekLetters . This pack has been **downloaded by over 11K** people.
- SAEB (Basic Statistical Analysis Software) in 2017.

Consultant in Entrepreneurship and Market

- I was Centelha 2 Program consultant in the states of São Paulo, Espírito Santo, Paraná, Santa Catarina, Maranhão, Pará and Rondônia. On these occasions I had the opportunity to evaluate ideas and projects of innovative ventures with solutions based on machine learning, artificial intelligence and big data. **I gave feedback to more than 160 projects**.

Teaching and Research

- I was Professor at UFGD (Federal University of Grande Dourados), where I taught subjects in the areas of statistics, machine learning and mathematics from October 2020 to January 2022.
- I was one of the authors of the book entitled "Probabilidade Básica" and published at Editora Livraria da Física in 2021.
- I have published several works related to the areas of probability and statistics in international scientific journals, scientific events and academic events.

TYPICAL DAY OF MY LIFE

EDUCATION

PhD in Statistics
University of São Paulo
📅 March 2019 – Present

Master in Statistics
University of São Paulo
📅 March 2017 – March 2019

Bachelor of Statistics
Federal University of Ceará
📅 March 2013 – January 2017

Computer Technician
EEEP Júlia Giffoni
📅 March 2010 – December 2012

SOFT SKILLS

Autodidact   Results-focused   Calm
Resilient and Persistent   Motivator
Leader   teamwork

HARD SKILLS

R, RStudio   Machine Learning   GLM
Robust Modeling   SQL   MySQL
Good Written Communication   LaTeX
Technical-Scientific Knowledge
